

## Event #10: Corn Hole Scoring Guidelines

### Material to be provided by Station Master:

Corn hole boards and bags will be provided by troops

Station master must set up the playing field

Our Corn Hole tournament will be played with 4 players from each patrol, two on each side. Pick which side of the board you'll throw from. Your patrol members pitching box will be directly across from each other.

Decide who goes first then take turns throwing bags with your opponents. A patrol member throws one bag, then their opponent. Alternate tosses between the two patrol members on each side. Your feet may not go past the front edge of the board. If they do, a foul is called and the toss is forfeited. Also, a tossed bag may not touch the ground. If it hits the ground and bounces up on the board, remove it before any other bags are thrown. If it's hanging off the board and touching the ground, remove that as well. When all 8 bags have been tossed to the other side, add up the score (see scoring below). If you earned the most points in that single round, your team will throw first in the next round.

Scoring is simple. After all bags have been thrown, a bag remaining on the board is worth 1 point. A bag that went in the hole is worth 3 points. Add up how many points your team earned. Count every point (no negation of equal points) and see who has the most points at the end of 10 rounds. A minimum of two games and a maximum of three games will be played. Patrol members who play in a game must switch places with other noncompeting patrol members in subsequent games. The first team to win 2 games wins the match.

This will be run as a tournament. Each patrol will be given a time to show up at this event. Patrols more than ten minutes late will forfeit their match. Winners of each match will be paired up against each other after the outhouse races to determine the overall camporee winner. 30 points will be awarded for participation

Additional points are awarded at the end of the day for the following places in the finals:

1 <sup>st</sup> place	20 pts
2 <sup>nd</sup> place	15 pts
3 <sup>rd</sup> place	10 pts
4 <sup>th</sup> place	5 pts
5 <sup>th</sup> place and lower	0 pts

Total points possible: 50 points
