

Eskimo Toss Scoring Guidelines

Material to be provided by Station Master:

30 tennis balls

Rope

Patrol uses a tarp from their sled to co-operatively toss an Eskimo over a horizontal rope 10 feet above the ground and land in a bucket held by a patrol member. The Eskimo is a tennis ball.

Event ends when all ten balls have been caught in a bucket. Each ball caught is worth 3 points

Additional points are earned for speed in catching all ten balls in the bucket:

Under 4 minutes	20 pts
4-5 minutes	15 pts
5-7 minutes	10 pts
7-10 minutes	5 pts
Over 10 minutes	0 pts

Total points possible: 50 points
