Event score sheet

This is a contest between patrols and patrols will be given an assigned time to show up for the competition. Scouts of a patrol are assigned a number, which is shared by a member of the opposing patrol. The patrols line up on opposite edges of the playing area, which has the "bacon" (a rag with a knot in it) in the center. A referee calls out a number, and the scouts who have that number must run to the center, grab the bacon, and return to their patrol without being tagged by the other Scout with that number. If a Scout successfully returns with the bacon to his patrol line without being tagged he scores one point for the patrol. Tagging of a Scout may not occur before that Scout has touched the "bacon". The referee may call out more than one number resulting in many pairs of Scouts, each Scout attempting to steal the "bacon". The top 4 patrols will compete for the "Steal the Bacon" trophy just before lunch. Patrols will receive points based on their overall place of finish.

20 points will be awarded for participation.

Additional points will be awarded at the end of the contest for overall place of finish in the event:
