### **Broomball**

Broomball is played with an inflated ball 6 inches in diameter and six players with brooms on the ice/snow court from each patrol. The rules are similar to hockey without icing or off-sides. The rink should be as close as possible to 200 feet long and 85 feet wide. The net is 6 feet high and 8 feet wide. Penalties may be assessed for high sticking or checking. Typically a high stick is anything above the waist. A patrol must have at least six players. There will be a maximum of 8 players from each patrol on the court at a time including a goalie. If patrols are of unequal size, the number of players on the court from each patrol will equal the smaller patrol's number of players. Patrols may be asked to combine to meet minimum team numbers. When making substitutions, the player coming off the ice must hand his broom to the substitute before he enters the playing area. Substitutions may occur at any time and may be required by the referees at two minute intervals to ensure all members get a chance to play. Games will be 10 minutes long. Ties will be broken by shoot-out from half court with no goalie in the net. The shoot-out will alternate patrols with the first patrol that scores when the other does not being declared the winner. This will be run as a tournament. Each patrol will be given a time to show up at this event. Patrols more than ten minutes late will forfeit their match. Winners of each match will be paired up against each other after the afternoon sessions to determine the overall camporee winner.
