

Event #6 Roundup Scoring Guidelines

Material to be provided by Station Master:

Stopwatches for timing

The aim is to herd all team members, who are scattered along the entire perimeter of a large area (not grouped), into the designated ring. All patrol members will be blindfolded except for one who will stand at a distance and guide his patrol members into the ring. All of the patrols will compete after sled check. If necessary, patrols may be combined to get a minimum number of members. Hugely entertaining with several groups participating at a time! Scores will be determined by taking the total time to complete the task and dividing by the number of patrol members.

20 points will be awarded for participation

Additional points are awarded at the end of the day for speed in rounding up the patrol members:

Fastest time	30 pts
2 nd place	27 pts
3 rd place	24 pts
4 th place	21 pts
5 th place	18 pts
6 th place	15 pts
7 th place	12 pts
8 th place	9 pts
9 th place	6 pts
10 th place	3 pts
11 th place and lower	0 pts

Total points possible: 50 points
