

## High Adventure

From water skiing on Cumberland Lake to kayaking in the Florida Keys, high adventure backpacking in the Sierra Nevada to canoeing the Allagash River in northern Maine, we've done it all. These are life changing events that you will remember forever. Our high adventure trips are once a year and require planning and preparation using the skills you learn in our Troop.

## Activities

We hold weekly meetings where we work on advancement through the Scout ranks and plan our events. "Be Prepared" is our motto, so we make sure we have the food (we are famous for our cooking), transportation, reservations and other items for a safe and fun environment. Some meetings we might play Frisbee golf, go bowling, or swim at the local university. Other times we have a campout, go whitewater rafting, or backpacking for a weekend.

## Service

Our Troop regularly participates in community events. We support the towns of Pemberville and Luckey during the Pemberville Fair, Pemberville 5-Miler, and Luckey Fall Festival. Our Eagle projects provide lasting contributions to the community as well. And guess what – these events are lots of FUN too!

## Advancement

From 'Scout' to 'Eagle' you will learn leadership and life skills that will help you forever. Our patrol leaders and older Scouts, under the supervision of the Scoutmasters, work with younger Scouts on rank advancement during the year. Additional opportunities are available in summer camp programs.

## Troop 344 Run by Boys for Boys

Boy Scouts – One of the few organizations for youth where the adults are not “in charge.”

Troop 344 has made this the cornerstone of the Scouting experience. Our Scouts plan and manage the Troop operations from meetings to meals. Our adult leaders provide guidance to the Scout leadership so that they can accomplish the goals they have set for themselves and the Troop.

In existence since 1948, Troop 344 has been developing leaders to take on real-world situations and challenges with confidence.

If you are looking for an environment that challenges boys to learn what it takes to be self-sufficient, have personal confidence, and develop the skills needed for success, then we have a program for you!

## A Strong Commitment To The Values of Scouting

Troop 344 has a strong commitment to the values of traditional Scouting. These include: Advancement, Personal Growth and Responsibility, First Aid Training, Citizenship, and Service to the Community. Of course, the outdoors is a big part of the program as well!

## Leadership Development

Scouting is a laboratory for developing leadership. Our Scouts learn this from the beginning of their experience. Lord Baden-Powell, founder of the Scouting movement said, “Scouting is a Game with a Purpose.” Leadership is a process of getting things done through people. Our Scouts learn this through interaction with Adults, Community Leaders, Scout Leaders, and most importantly other Scouts. We help our Scouts learn these skills and then apply them to everyday life – laying the foundations for a lifetime of success.

## Most Important – Scouting is Fun!

Troop 344 Scouts love the outdoors. Be it camping, orienteering, snow sports, water sports and many other activities – we always make it fun!

We welcome interested boys and parents to contact our adult leaders for a visit.
