

Individual Scouts and Scouters Application for National Camping Award

You may qualify for the cumulative award and count your days since Jan. 1, 1991 (while you were a Boy Scout/Scouter, no Cub Scouts).

To earn the National Camping Award patch you must meet the required cumulative number of days and nights of camping. This total can include any combination of camping with the Scout's family, patrol, or unit.

What Counts As Camping

-  Sleeping in tents.
-  Staying in rustic cabins (no electricity).
-  Under the open skies.
-  You participated in setting up and breaking camp.
-  You participated in camp chores.
-  You participated in camping activities (hiking, swimming, nature exploration, conservation projects, etc)
-  A full day of camping counts as a "day", late arrival and early departure days together count as a "day".
-  Camping trips you can verify that they took place, (parents, Troop Leader, SPL, signs off)

What Doesn't Count As Camping

- Luxury motor homes.
- Campers with electricity.
- Lodges, motels, cabins with electricity.
- When you do not participate in setting up or breaking down camp.
- When you do not participate in camping type activities.

Camping Log For _____

Record your days and nights, and turn in to your Camping Committee when you reach an award level. Include \$3.85 per patch.
100 days and nights, 250 days and nights, 500 days and nights, 1,000 days and nights.
