When are PLCs scheduled?

- We can have them anytime that the PLC suggests.
- Currently scheduled on the 3rd Tuesday of the month immediately after the regular Troop meeting.
- Normally need to schedule to allow enough time to plan for at least one month ahead.

What is Leadership? What is the importance of Leadership?

- Great organizations have great leadership.
- Scout Troops are no exception.
- You will get out of an organization what you're willing to put into it, and leadership is the key to making the organization a success.

- A failed organization results from a failure of leadership, not a failure of the members of the organization.
- The following are a few quotes about leadership from successful leaders:
 - *Leadership is the art of getting someone else to do something you want done because he wants to do it.*--Dwight D. Eisenhower
 - *Leaders aren't born, they are made* - Vince Lombardi
 - *Leaders come in many forms, with many styles and diverse qualities. There are quiet leaders and leaders one can hear in the next county. Some find strength in eloquence, some in judgment, some in courage.*--John W. Gardner
 - *It is not fair to ask of others what you are unwilling to do yourself* - Anna Eleanor Roosevelt
 - *A boss creates fear, a leader confidence.
A boss fixes blame, a leader corrects mistakes.
A boss knows all, a leader asks questions.
A boss makes work drudgery, a leader makes it interesting.
A boss is interested in himself or herself, a leader is interested in the group.*--Russell H. Ewing
 - *No person can be a great leader unless he takes genuine joy in the successes of those under him.*--W. H. Auden
 - *Outstanding leaders go out of their way to boost the self-esteem of their personnel. If people believe in themselves, it's amazing what they can accomplish.*--Sam Walton
