

# Scout Olympics Triathlon Score Sheet

## Scout Olympic Triathlon:

Shot put throw (8 lb for ages 14 and under, 12 lb for ages 15 and over), javelin throw using the 300 gram Turbojav, and discus throw (Junior high discus for ages 14 and under, high school discus for ages 15 and over). Each Scout is given three attempts for each. Only the best attempt of each counts. First, second, and third place awards, based on age, will be given for overall triathlon winners. Ties for best throws will be broken by using the second best throw. If a tie is still present, the third best throw will be used to determine place. Scout names must be recorded on the event score sheet below prior to competition.
